ABOUT COMPANY

At Rich Horizon Pvt. Ltd., we believe in the power of women to drive change — in Homes, communities, and economies. We are a purpose-driven company focused on Women's empowerment through a unique direct-selling model built around a simple, essential product: sanitary Napkins.

OUR BIG IDEA

Our innovative approach allows women to earn by referring others — not by continuous selling, but with a one-time purchase model that's both healthy and wealth-generating. We're not just selling a product — we're building a movement of financial independence, confidence, and better health for women across India and beyond.

VISION & MISSION

VISION

We envision a world where every woman is financially free, health-conscious, and part of a supportive network that uplifts and celebrates her success — starting with a single step: a simple, healthy product that leads to wealth.

MISSION

To empower one million women by 2030 through sustainable income opportunities and promote better menstrual health by delivering quality sanitary napkins through a revolutionary direct referral system.

BUSINESS OPERATION MANAGEMENT

Rich Horizon Pvt. Ltd. operates on a streamlined direct-selling model designed to empower women through a simple, scalable, and sustainable referral system. At the core of our business is the one-time purchase of high-quality sanitary napkins, which customers can refer to others, creating a self-sustaining network of income opportunities. Our operations are guided by transparency, health-first principles, and community-building. From product sourcing to distribution, Rich Horizon ensures quality, efficiency, and timely support, enabling women to manage their own micro-businesses while improving menstrual health awareness and financial independence across communities.
